

You've never seen Bel Ami like this! Renowned photographer Benno Thoma took shots of the lads of the world-famous porn company showing Lukas, Sebastian and the rest in perfectly gorgeous photos. They're emotional like never before, set against lavish backdrops and in masterfully composed erotic images. Benno Thoma is undoubtedly an artist - he bathes his models in luxuriously sensual colours. His sense of style makes this 180-page book of photos in opulent large format into a sensually stunning synthesis of art. It is the momentary highpoint of Bel-Ami photo books. It is a milestone of gay photography!
