

The Landon family travels to Everglades National Park to investigate a strange illness among the already endangered manatees. Deadly Waters finds Jack, Ashley, and their family's new foster child, Bridger, face-to-face with sharks, alligators, and a stranger intent on stealing Jack's camera. This exciting mystery-adventure story introduces readers to the ecology of Everglades National Park, with a special focus on Florida's threatened manatees.

Magnifica comunita di Fiemme: Inventario dell'archivio, 1234-1945 (Archivi del Trentino) (Italian Edition), The Long Shadow of the British Empire: The Ongoing Legacies of Race and Class in Zambia, HUMANOID (In the Year 8007 AM), Las pymes ante el reto del siglo XXI/ The Pymes, Small Business on the Verge of the XXI Century (Spanish Edition), Individuelle Positionsbestimmung zum Recht der betrieblichen Mitbestimmung (German Edition),
