

When do you become the sum of your parts? Drop dead gorgeous, kind to a fault, and good in bed, 26-year-old graduate student Luca Gregorio meets all the requirements for The Deans List, a university society that offers alumni anything they desire - for a price. Weeks from graduating, Luca loses his most valuable client. Determined to graduate debt free, he needs new patrons to cover his shortfall. His once easy job at Concierge Services becomes complicated once he meets Mim Knight, a woman he can't ignore. She was worth more. Cultured and beautiful, Mim Knight isn't looking for anything but a quick end to a frustrating workday when Luca Gregorio shows up on the other side of her desk. Despite his too-good-to-be-true looks, he's different from the trust fund boys she's used to. He's fearless, genuine, and sexy as hell. They say money is the root of all evil, but they're wrong. Drowning in lies of omission, Luca knows one misplaced step will lose Mim forever, but like his dream of financial freedom, he can't let her go. In the world of commodities, everyone has something to sell. What price do you demand for your honor? What price do you put on love?
