

Male Sexual Awareness counsels both single men and men as part of a couple. It explains why men feel and behave as they do. It explores the problems that prevent them from living a full, healthy sexual existence. It offers them and their partners practical, proven advice so that they can achieve happy, rewarding sexual lives. Debunking the myths of rigid male roles and unrealistic performance demands, Male Sexual Awareness teaches pleasure-oriented approaches to intimacy. It will guide both men and women toward emotional cooperation and satisfaction and away from the misunderstandings and conflicts that arise in sexual relationships.
