

Scholar and iconoclast Andrew Ross spent a year living in the much scrutinized, and often demonized, Celebration--the picture-perfect town that Disney is building for 20,000 people in the swamp and scrub of central Florida. Lavishly planned with a downtown center and newly minted antique homes, and front-loaded with an ultraprogressive school, hospital, and high-tech infrastructure, Celebration was to offer a fresh start in a world gone wrong. Yet behind the picket fences, gleaming facades, and Kodak moment streetscapes, Ross discovered a real place with real problems, and not a theme park village cooked up by the Imagineers. Compelling and wide-ranging in its analysis, The Celebration Chronicles provides a startlingly fresh perspective on the link between contemporary urban planning and corporate bottom lines. From the Trade Paperback edition.

Midnight Estates, Goodbye Is Not Forever, Cooking And Outdoor Recipes Book: Your Favorite Food By The Camp Fire (Camping Recipes Book 1), Introduction to Fluid Mechanics, FORD TIMES JANUARY 1972, Event Representation in Language and Cognition (Language Culture and Cognition), Pregnant Pregnancy,
